

STANTON – IN – PEAK PARISH COUNCIL: Minutes

Minutes of the Parish Council Meeting held on 3rd December 2024

At 7:30 pm in Stanton Lees Chapel

PRESENT: Cllr S Fogg, Cllr I Mortimore (Chair) Cllr A Mellor and Cllr P Morris

In attendance: Parish Clerk and 3 members of the public

1991 **Apologies**

No apologies required. Council notes the resignation of Cllr R Griffith on 4th September.

1992 **Variation of order of business and Clerk's request for inclusion of Time Constrained items**

No variations required. Additional planning items: none

1993 **Declarations of Members Interests**

No declarations were required in respect of this meeting.

1994 **Public Speaking**

a) Members of the public

Representatives of Safer discussed the next steps following the 150 plus responses from both this parish and South Darley. It was agreed that Safer need to present this in good time to Ecobat before the next ELG to enable questions and feedback to be asked by both parishes council representatives They plan to forward this information to South Darley for distribution to its members and attend their next meeting and will also be submitting it to the Environment Agency with a view to assisting Ecobat – one example being local noise and light monitoring feedback to help show where tree management and Site measures can best minimise the affect of this.

b) PCSO Boswell PDNPA Parish Member Kath Potter and DDDCllr Laura Mellstrom sent apologies

DCCllr Sue Hobson noted the VAS system should be installed once flood warning software is added. The meeting requested that local parishes be issued with leaflets to state how the system works to ensure their Duty of Care in ensuring car users as well as HGVs know what the procedure is.

The road closed signs for the landslip have all faded out but only one has been renewed so far. A request from adjacent landowner was passed on to be informed of the plans for conversion to a bridlepath – especially as the ground is still moving. The Recycling centre requires Derbyshire residents to register their cars as number plate recognition is being used to ensure only domestic users use for free – a link will be put in Snail. The White Peak Trail is to receive funding to extend beyond Rowsley. DCCllr Hobson left the meeting at this point.

1995 **To confirm the Non-exempt minutes of the previous meeting**

RESOLVED to confirm as a correct record the minutes of the meeting held on 3rd September 2024 were signed by the Chair.

1996 **To determine which if any from Part 1 of the Agenda should be taken with the public excluded:** none

Tonnage sheets have been received for loads out meeting movement conditions.
DCC Planning for Ecobat – no information
Items for clarification with PDNPA: none
Items for clarification with DDDC: none

1998 Footpaths and Highways

Highways – Lees Road awaits permanent closure to motor vehicles. Stanton Moor Solstice traffic issues and management will be raised with the Emergency Planning committee direct for a reply. Grit is being purchased to top up the bins next week. There are still DCC abandoned signs in several locations left over from the surface dressing works.

1999 Reports and Decisions

- i. Ecobat Resources Liaison meeting and correspondence
The next meeting is proposed for 11th February.
- ii. The Green and Parish Assets – Stanton Lees Defibrillator
The defibrillator has been replaced thanks to a generous grant from Ecobat and funds from our County Councillor which also gives a starter for the funding of the Green Defibrillator replacement which is of similar age. Thanks were also expressed to the Stanton Shindig organisers for raising £315.00 which gets us half way towards Stanton in Peak's replacement.
- iii. War Memorial Lettering
The lettering is being assessed for wear.
- iv. PDNPA Local Plan / Liaison updates
The next Minerals liaison is in January and there is a move by PDNPA to combine the Stanton Moor meeting with it as the last one had to be cancelled which could cause a clash of interest if not hosted by the Conservation team.
